Subject Index

Volume 15, Numbers 1–12

A

Accountability
  Credentialing, privileging and nursing bylaws in shared governance system, 12:23
  developing bylaws in shared governance system, 12:28
  position statement on, 9:26
Accounting system(s), fair for nursing department? 10:8
Acuity system(s)
  category-oriented vs. task-oriented, 9:6
  See also Patient classification system(s)
Administration. *See* Management
Arbitration, decision to use and preparation for, 6:11
Assault
  by patients, 7/8:6
  See also Patient abuse; Spouse abuse
Assessment center technology, head nurse selection using, 5:13
Autonomy
  See Accountability; Shared governance
Award program, for nursing care excellence, 5:10

B

Baccalaureate nurse(s), increased demand for, 6:5
Book reviews, 1:4, 2:31, 4:23, 6:6, 6:16, 11:42
Budgeting
  concepts in (book review), 11:43
  for staff, algorithm for, 1:11; (letters), 6:7
  for supplies, 6:21
  how to prepare and submit a budget (book review), 11:43
Burn-out, who is subject to? 11:6
Bylaws
  developing, in shared governance system, 12:28
  for credentialing and privileging in shared governance system, 12:23

C

Career ladder(s)
  criteria for implementing, 11:32
  development of (book review), 2:31; (correction), 5:44
Care plan(s)
  standard, computerizing, 3:8
  See also Documentation
CEUs
  clinical nurse specialist in line management position, 1:20
  demystifying critical care management, 10:27, 11:14
  DRGs and primary nursing, 4:32
  improving the nursing climate for cost containment, 3:11
  Neuman Systems Model for nursing practice, planning for implementation, 5:29
  organizational chronicity, 7/8:9
  selecting automated patient care systems, 12:16
  team building, 2:16
  teamwork in primary nursing, 9:21
Charting. *See* Documentation
Childbirth, early discharge program, 4:8
Clinical ladder. *See* Career ladder(s)
Clinical nurse specialist(s)
  identifying competencies of, 12:31
  in line management position (CEU), 1:20
Communication
  developing departmental newsletter, 3:36
  nonverbal. *See* Image
  staff to vice-president of nursing, 10:13
  See also Public speaking; Writing
Compensation, executive salary surveys, 2:63
Computer(s)
  cost effectiveness and cost benefit analysis of, 2:22
  not always cost-effective, 11:13
  patient care systems using, selection of (CEU), 12:16
  patient classification system using, 4:11; (letter), 12:6
  writing standard care plans with, 3:8
  See also Software
Conceptual model for nursing practice, choosing and planning for implementation (CEU), 5:29
Consultant(s)
  abuse and misuse of, 1:5
  directory of, 2:32, 7/8:44
  nurses in community as, 11:9
  use of, in nursing programs, 10:7
Cost benefit analysis of computer systems, 2:22
Cost containment
  efficient use of ICUs, 7/8:25
  improving nursing climate for (CEU), 3:11
  managing staffing cutbacks, 1:29, 6:31
  organizational assessment in planning for, 12:9
  See also Budgeting; Financial management
Cost effectiveness analysis, of computer systems, 2:22
Credentialing, in shared governance system, 12:23
Critical care
  technical personnel in, 3:5
  See also Intensive care unit(s)

D

Day care
  approaches to, 12:8
  in hospital setting, 10:45
  will nurses use? 12:37
Director(s) of nursing
  effectiveness of, DON and CEO perspectives, 6:25
  non-nurses to provide financial and management expertise for, 11:28
  turnover among, 2:11
Discharge planning, staff nurses doing, 12:15
Documentation
  improved system for, 11:22
  See also Care plan(s)
DRGs
  (book reviews), 6:6, 6:16
  nursing costs and, 7/8:29, 9:15
  primary nursing and (CEU), 4:32
  staffing specific to (book review), 11:43

E

Education
  collaboration between nursing school and hospital nursing service, 2:4
  health science library open to public, 10:26
  service and (letter), 6:7
  staff, evaluation of, 10:38
  See also under Nursing administration

F

Fellowship program(s)
  in nursing administration, 12:8
  in nursing administration, guidelines for, 7/8:6
Filing system, for reprints, 12:38
Financial management
  alternative revenue sources for nursing departments, 11:9
  analyzing trends, 4:24
  capital cost reimbursement under prospective payment plans, 2:4
  cost per RN hired, 2:27; (letters), 6:7
  developing capital expenditure proposals, 9:32
  evaluating and selecting computer software package, 11:33
  non-nurses to provide expertise to nursing department in, 11:28
  readings in, 11:44
  variable hospital accounting practices: fair for nursing department? 10:8
  See also Budgeting; Cost containment; DRGs
Float pool(s), job satisfaction for nurses in, 6:24

G

Grievance(s). *See* Arbitration

H

Head nurse(s)
  assessment center technology for selection, 5:13
  union vs. nonunion, 6:24

I

Image
  communicating power through nonverbal behavior, 1:41
  dress and, 4:43
Informed consent, update on statutory standards, 9:28
Intensive care unit(s)
  efficient use of, 7/8:25
  management of, demystifying (CEUs), 10:27, 11:14
  See also Critical care
Internship(s), nursing, effectiveness of, 5:6
Interviewing, developing a rating guide, 10:39

J

Japanese management (letter), 2:8
Job market, increased demand for baccalaureate nurses, 6:5
Job satisfaction
  for float pool nurses, 6:24
  interruptions in planned time and, 5:7
  registered nurse employment and, 11:27
  supervisory practices and, 10:38
  who burns out? 11:6

L

Layoffs, managing, 1:29, 6:31
Letters to the Editor, 2:8, 6:7, 10:4, 12:6
Library, health science, opened to public, 10:26

M

Management
  clinical nurse specialist in line position, 1:20
  decentralized, nurse manager on-call program, 5:19
  financial. *See* Financial management
  Iococca's views on (book review), 11:42
  Japanese (letter), 2:8
  non-nurses to provide expertise to nursing department in, 11:28
  readings in, 11:44
Mentoring
  becoming a mentoring manager, 6:43
  cultivating minor mentors, 9:41
  ending relationships, 11:40
  mentor matching, 1:45
  mentor moderation, 7/8:42
  non-bonder as mentor, 2:30
  nonpeople, 3:42
  prevalence and effects on staff nurses' career development, 11:39
  self-mentoring strategies, 4:42
  toxic mentors, 5:43; (letter), 10:4
Motivation, creating climate for excellence, 1:16

N

Neuman Systems Model, planning for implementation (CEU), 5:29
Newsletter, departmental, development of, 3:36
Nightworker(s), problems of, 7/8:28
Nonverbal behavior. *See* Image
Nurse administrator(s). *See* Director(s) of nursing; Nurse executive(s)
Nurse executive(s)
  leadership program for, 1:5
  participation of, in course planning for nursing administration education, 9:20
  salary surveys, 2:63
  See also Director(s) of nursing; Nurse manager(s)
Nurse manager(s)
  interruptions in planned time and job satisfaction of, 5:7
  on-call program, 5:19
  See also Head nurse(s); Nurse executive(s)
Nursing administration
  education for, cooperation between administrators and educators in course planning, 9:20
  essential elements in preparation for, 6:25
  fellowship program in, 12:8
  guidelines for fellowship programs, 7/8:6
  master's program in, 1:5
  MBA as preparation for (letter), 2:8
  preparation for, 11:6
  review course for certification examination, 3:24
  See also management
Nursing audit, in quality assurance, 10:14
Nursing issues, source book on, 6:6

O

Organization(s)
  chronicity in (CEU), 7/8:9
  strategies for assessment, 12:9
  structural models, 2:7
Orientation
  centralized vs. decentralized, 5:24
  nurse internships vs., 5:6

P

Part-time nurse(s), managerial strategy for, 1:35
Patient abuse, 4:27
Patient care system(s), automated, selection of (CEU), 12:16
Patient classification system(s)
  building, 7/8:18
  computerized, 4:11; (letter), 12:6
  for inter-hospital comparisons, 5:25
  staffing needs and (letters), 6:7
  workload measurement design vs., for staffing determination, 9:6
Performance evaluation, model program (book review), 1:4
Physician(s)
  as customers of hospital, 6:17; (letters), 10:4, 12:6
  nurses hired by, survey of use in hosptials, 9:35
Planning, in response to prospective payment, organizational assessment strategy, 12:9
Power
  communication of, through nonverbal behavior, 1:41
  conflicting views of, 11:36
  organizational, developing, 4:38
Primary nursing
  DRGs and (CEU), 4:32
  second generation agenda, 3:18
  teamwork in (CEU), 9:21
Productivity, work sampling for analysis of, 9:9
Professionalism
  See Accountability
Prospective payment plan(s)
  capital costs and, 2:4
  See also DRGs
Public speaking
  holistic approach to, 10:34
  how to improve, 3:31
  newsletter on, 1:34

Q

Quality assurance
  developing standards for, 1:34
  evaluation of, 6:38
  nursing audit in, 10:14

R

Registered nurse(s), accountability of, 9:26
Reprint(s), starting a filing system for, 12:38
Research
  benefits of hiring a nurse researcher, 10:5
  collaboration in, 3:5
  conference highlights, 3:30
  consortium approach to, in service settings, 7/8:36
  disseminating, 3:6
  field methods, 4:5
  fostering conditions that inspire inquiry, 6:8
  program development in clinical institution, 3:25

proposal writing, 2:5
qualitative studies, 5:8
study designs: matching form with purpose, 1:7

S

Service, new, guidelines for establishing, 10:22
Shared governance
credentialing and privileging in, 12:23
developing bylaws in, 12:28
Software
evaluating and selecting, 11:33
for microcomputers, 4:18
Speaking. *See* Public speaking
Spouse abuse, of nurses, 6:6
Staffing
algorithm for planning and budgeting, 1:11; (letters), 6:7
comparative data program, 4:8
cost per RN hired, method of analysis, 2:27; (letters), 6:7
DRG-specific (book review), 11:43
managing cutbacks, 1:29, 6:31
managing part-time nurses, 1:35
patient classification systems and (letters), 6:7
See also Float pool(s)
Strategizing, 4:38
Stress, management of (book review), 4:23
Supervisor(s)
elimination of, on evening and night shifts, 5:19
techniques for minimizing employee dissatisfaction, 10:38
Supply(-ies), projecting expenses for, 6:21

T

Team building (CEU), 2:16
Technical personnel, in critical care, 3:5
Technology
not always cost-effective, 11:13
See also Computer(s)

U

Union(s), head nurses, 6:24
Unit, new, guidelines for establishing, 10:22

W

Workload measurement system(s), patient classification systems vs., for staffing determination, 9:6
Work sampling, productivity analysis using, 9:9
Writing
research proposals, 2:5
tackling writer's block, 5:40
